

To whom it may concern at the FCC....
Sinclair Broadcasting is blatantly using the media
for their own greedy/political purposes. We all know what their agenda is.
They're not the only ones abusing the Free Press. This goes directly against
the democratic reasons for why the FCC was created in
the first place.
I ask you to please do the right thing and honor the values
of those that created the FCC initially. Do not let Sinclair get away with
muzzling the opposition.
It is, I believe, the FCC's duty to make sure that all sides receive
equal time and an equal forum regardless of who is paying the bill.
Sincerely,
Alexandra Masterson
